The latest information about the Greater Kansas City MGMA Chapter is available on our website. Check the ABOUT US section that describes what we have to offer you, and especially our EVENT page that lists all the confirmed educational offerings we have for 2019. We just confirmed a newly remodeled location for meetings next year: Holiday Inn & Suites, Overland Park.

We also offer a monthly newsletter, active listserv and a job openings page on our new website. Take a few minutes to peruse through it to see how you can benefit from joining us. Low membership fees make it affordable for everyone. Always available to answer any questions! Email: [info@gkcmgma.org](mailto:info@gkcmgma.org)
